ARIZONA COMPUTER BASED TESTING SITES

National Registry Computer Based Testing will begin January 2, 2007. Applicants must obtain from National Registry, a letter of Authorization to Test, prior to scheduling a test date.

To schedule an examination, applicants will call the Pearson VUE Call Center or schedule via the Pearson VUE Candidate web site. Detailed instructions are provided in the Authorization to Test letter.

Applicants requiring further assistance with scheduling a Computer Based Test should contact National Registry at 1-614-888-4484. Applicants may begin completing their NREMT application at this time. Pearson VUE will begin accepting appointments for NREMT testing on December 18, 2006 with an Authorization to Test (ATT).

The following is a list of authorized NREMT Computer Based Testing sites for the State of Arizona as of November 27, 2006. As additional sites are approved they will be updated for your review. Please note: NREMT examinations can be taken at any approved Pearson VUE test center.
